Le Président - The Chairman- Der Vorsitzende

Brussels, 15 June

Dear colleagues,

As you are about to complete your mandate in the European Parliament, I would like to express to you personally, and on behalf of the Presidency and the whole Group, my appreciation of your work and my best wishes for the future.

Over the past years, you have personally contributed to the construction of a stronger Europe; a Europe closer to its citizens, and above all, a Europe which represents our values.

In your committee work, delegation work and in all bodies of the European Parliament; in your relations with the other European and national Institutions; in your daily contact with the citizens, you have shown that to be active in politics is to show devotion, availability, honesty and a sense of responsibility.

As a Member of our parliamentary Group, you have shown, by your dedication and commitment, that your work gives full meaning to a project, a collective ideal.

Throughout this parliamentary term, we have experienced success and failure. But we can still say that, individually and together, we have made an essential contribution to our common goal, albeit during sometimes difficult times.

Of this, we must be proud.

I wish you and your family all the best for the future and, once again, I thank you wholeheartedly.

Yours sincerely,

Joseph Daul
